## APPLICATION FOR REGISTRATION OF A RHODODENDRON NAME

This form, duly completed, should be sent to **The National Registrar**, **Brian Coker**, 'Stoneycrop', 8B Barnsley Crescent, West Melton 7618 who will forward the form to the International Rhododendron Registrar and ensure that the details are recorded in the New **Zealand Register**. Forms can be found online at <a href="https://www.rhododendron.org.nz/Rhododendron\_registration\_form.pdf">https://www.rhododendron.org.nz/Rhododendron\_registration\_form.pdf</a> or requested from and sent to b.hcoker@xtra.co.nz .

Names already listed in the latest edition of *The International Rhododendron Register* or in subsequent supplements should not be re-used and are not acceptable for registration. Names proposed should also be in accord with the latest edition of the *International Code of Nomenclature for Cultivated Plants*. Details of these publications may be obtained from the above address. Registration should take place before the name is published or disseminated in any other way.

There is no fee for the registration of a new cultivar name. A certificate of registration is available free of charge and will be supplied on request.
